Dear friend of Toledo Opera:

THANK YOU! THANK YOU! THANK YOU!

Our recent fund raising event *Blame the Champagne* was a spectacular success! Over 200 people attended and we raised more than \$25,000 to help support Toledo Opera's fully staged operas and our nationally recognized education and outreach programs.

At center stage in the cultural development of any great city is a thriving, popular and entertaining professional opera company. Your commitment to the opera allows us to achieve our mission of providing musically extraordinary, theatrically compelling performances. Toledo Opera is truly making a difference in advancing the cultural life of our City.

Thank you again for your contribution to our auction. I look forward to seeing you at the opera during our 2003-2004 season.

Sincerely,
