Pamela,

Jim and I (and the entire committee as well) want to extend our thanks to you and your volunteers. I cannot tell you how much your kindness and generosity mean. You and your staff did an unbelievable job, espically with the weather. I think the entire event went very well and was a success, in large part thanks to you and your wonderful staff. Jim and I are already on your mailing list and have bee to your auctions before (mainly real estate), and we will highly recommend you to anyone in need of auction services.

Once again Thank You for your help and God Bless,
